

UVALDE AREA CHAMBER OF COMMERCE & VISITORS CENTER

Dear Valued UACC Member & Community,

As your local business advocacy organization, the UACC knows that you are in business to excel; and we want you to know we are in business to help you do that every step of the way. As such, a few things have changed around the Chamber in the last several months and we want to take this opportunity to update you.

It goes without saying that the year 2020 brought change for us all and the COVID-19 pandemic took an enormous toll on many of our member businesses and nonprofits. We would like to congratulate you on making it through the past two years. We know that it was not an easy task for a business, so a job well done!

In spite of all the challenges that have come our way, we look forward to 2022 and the new direction of your Uvalde Area Chamber of Commerce. In January 2022, the UACC Board of Directors welcomed the new Executive Director, John Yeackle, and Director of Communications & Marketing, Mario "MJ" Miller. Please join us in welcoming our new UACC staff members!

In the interest of growth and development, and with a desire to streamline our processes, we would like to introduce our **ReMembership 2022 Campaign**. Our vision for ReMembership 2022 is to offer an opportunity for all past, current, and future members to promote their business through marketing and strategic techniques that will benefit their business. Included with this letter is the ReMembership 2022 levels. Please read and consider the new membership opportunities that we have presented and select one that best fits your vision for our continued partnership.

Receiving no state or federal tax or appropriations revenues, our Chamber survives solely on dues, sponsorships, and events. We appreciate your support and hope you continue to see the value in your membership. We look forward to the opportunity to continue working with you to take your business to the next level.

UACC is excited about our new direction and what is in store for us all. 2022 is going to be a year to remember, and we want you to be a part of every memory!

In Partnership,

Karla Radicke
